AIRPORT CONSULTATION, NIGHT FLYING

Council resolved to object to the consultation after seeking answers to questions raised with Peel, via DMBC, and taking into account a public meeting held, and a survey carried out, with residents. Suggestions were also made to which Peel may like to give consideration. DMBC were still in discussions with Peel Holdings and Council was assured that any amendments to the consultation would revert to us for further discussion and comment.

Despite an alleged comment at an Airport Meeting that Bawtry was 'aggressive' towards the consultation, more to the point is the fact that, as a Council, we acted with regard to our residents and locality. Peel, who from the outset, have claimed to want to be a 'good neighbour', were nothing more than unhelpful and uncooperative with us.

BUTTERCROSS

Approval was given and is being progressed via English Heritage Scheduled Monument consent for renovation works to take place at a cost of £1401.75

GRANBY HOTEL

A new leaseholder has taken over at the former Granby which is in the process of being renovated and the car park area cleansed. It looks as though a name change to *Penny Farthing* will take place in an anticipated re-opening in June.

MEMORIAL SPORTS FIELD

BARS (Bawtry Action for Recreation & Sport) has agreed to take on board, in principal, the proposed project of improvements at the MSF. This can only be progressed on a charitable basis, with the Council retaining custodian trusteeship. Full liaison with the Council is essential from infancy to completion for this large proposed project.

The MSF is a community area and not a specific user group area. Greater liaison between user groups is required and prior approval from the Council before any works are undertaken.
