

BAWTRY TOWN COUNCIL NEWSLETTER – OCTOBER 2007

www.bawtrytowncouncil.co.uk

Plastic fantastic

The green box collections in Bawtry and Austerfield have recently improved to include collections of plastic bottles. This means you can recycle more than ever before, right from your doorstep, and reduce the amount of waste in your black bin that goes to landfill. Bawtry & Austerfield residents are some of the first to benefit as Doncaster Council, in partnership with Doncaster Community Recycling Partnership (DCRP) roll out the enhanced service. By year end all Doncaster will be able to recycle plastic bottles, along with various items they already present in their green box.

By now all households should have received a large clear bag to put their plastic bottles in ready for collection day, together with an information leaflet detailing the different items which can be recycled in your green box.

A few points to remember:

At present DMBC can only collect plastic bottles, including fizzy drink bottles, squash bottles, mouth wash, shampoo, fabric softener, washing up liquid, bleach and milk bottles. Please remember to wash and squash bottles and take off the lids. This will mean the collection crews will be able to take a lot more away with them.

Simply present your bottles in the clear bag provided, along with your green box, on your regular collection day. If it's bottle shaped and plastic, wash it, squash it and put it out for recycling. It's so easy! And remember, every week is green box week in Doncaster.

If you haven't received a bag or leaflet, then you can arrange for one to be delivered by calling DCRP on 01302 849068. If you have plenty of materials to recycle, you can also request an additional green box by calling the same number. An information leaflet can also be picked up from Bawtry library.

Gainsborough Road Toilets

The 500 strong petition was forwarded to the Mayor of Doncaster, Martin Winter who, in turn, has passed it to another department for action. We await with interest the response from DMBC and will continue to bring pressure for the re-opening of the toilets.

Pay and Display (Market Hill)

Works on re-lining, and relocation/marketing of disabled bays will soon commence, as will finishing of the work to the bollards. The new 2 hour parking tariff will become operational with a new contract at the end of November this year. Adequate notice of any works etc will be displayed on Market Hill and council notice boards.

Tunnel Tech, Newington (Mushroom Farm)

Bassetlaw District Council served an enforcement notice last July with regard to the aeration at the above premises and we are advised that by June next year, hopefully the problem with 'smell' will be greatly reduced.

Should residents have a complaint regarding 'smell' they should telephone Mr John Rhoades on 01909 533164 (fax 01909 534120) or email at John.Rhoades@Bassetlaw.gov.uk. giving date, time, wind direction, smell strength and duration, so a log can be maintained against the log produced by Tunnel Tech.

LIST OF TOWN COUNCILLORS

George Spencer (Town Mayor), 48 Queens Crescent, Bawtry, DN10 6PZ, Tel 711464,
Email Gspe878786@aol.com

Jean Cox (Deputy Town Mayor), Bickleigh House, 32 Doncaster Road, Bawtry,
