

# **BAWTRY TOWN COUNCIL**

## **NEWSLETTER – SEPTEMBER 2010**

### **Tunnel Tech North (Misson)**

Bawtry Town Council has been advised by Ian Kellett, the Principal Pollution Officer for DMBC that Bassetlaw District Council has contracted a consultant to review and if necessary to revise Tunnel Tech's current permit. Bassetlaw has appointed a new officer (to start in September) to take over the regulation of the site. Tunnel Tech have informed Ian Kellett that they are assessing various control methods which are being used elsewhere in the world.

A letter from Caroline Flint confirms that no deadline has been set for the proposed installation of new equipment from Canada, which Tunnel Tech hopes will alleviate the problem.

Simon Middlebrook, the General Manager of Tunnel Tech North, will be attending the September meeting of Bawtry Town Council. He will be asked to provide clarification on the progress being made with these proposed adaptations to the existing system.

### **Wharf Street Play Area**

BTC is looking to make changes to the access points to this area . DMBC are advising as to how these might be better controlled.

### **Casual Vacancy**

A casual vacancy has arisen on the town council. There is a possibility that this vacancy will be filled by co-option. If you are interested in being involved in the work of your local council, details will be posted on the town's notice boards early September, advising of the procedure.

Further information can be obtained by contacting the Clerk to the Council.

### **Donation**

The Council has agreed a donation of £100 to the Royal British Legion which will also cover the cost of the wreath for this year's Remembrance Day

### **Gainsborough Road Toilets**

Work is progressing with the refurbishment of the toilets. The repair to the roof of the disabled toilet is underway and redecoration of the interior should begin soon.
